[VS] VARIANT SERIES

Our Variant Series showcases the amazing array of possibilities when a craft winery can control all vineyard and cellar influence on wine from vine to bottle.

WINEMAKER'S NOTES

This Variant Series Cabernet Sauvignon is blended with Zinfandel and Merlot. This is a very popular California blend style of the well-structured Cabernet Sauvignon, lightly oaked, soft tannins, and fruit forward, with a touch of Zinfandel to support the fruit and add a bit of spice. The result is a full bodied wine with lots of fruit. A small addition of Merlot enhances the mid-palate.

CUISINE PAIRING SUGGESTIONS

The Variant Series Cabernet Sauvignon makes for a great outdoor barbecue red wine. Serve it slightly chilled with a Texas style barbecued brisket.
